

Application for Accreditation of Group Learning CPD Activities *Conferences, symposia and/or workshops*

Section 1 of the Framework of Continuing Professional Development (CPD) Options of the Maintenance of Certification program (MOC)

Group learning is an important development activity for physicians and provides an opportunity to confirm or expand areas of knowledge or practice management, to identify potential new therapies or approaches for practice, and to share practice issues or experiences with peers.

Important information before you begin:

- Group Learning Activities approved under Section 1 must be developed or co-developed by a [physician organization](#); please visit this [website](#) or contact the Royal College directly to confirm before submitting an application.

A physician organization is defined by the Royal College as a not-for-profit group of health professionals with a formal governance structure, accountable to and serving, among others, its specialist physician members through: continuing professional development, provision of health care, and/or research.

Additional considerations:

- MOC Section 1 – Accredited Group Learning (including conferences, symposia, seminars, and workshops) are approved for a maximum of one year from the start date of the activity.
- Accreditation will not be granted retroactively.
- The organization that developed the activity is responsible for maintaining all records (including attendance records) for a 5-year period.

Application steps:

- Refer to the [Royal College Standards for Group Learning Activities \(Section 1\)](#) and the [CASL Accreditation \(Section 1\) Information page](#) as you complete this application and prepare the attachments.
- Submit your completed application and supporting documents by email to casl@hepatology.ca with the subject line “*Application for Accreditation of [Name of your Program].*” The CASL office will confirm receipt of your application within 2 business days, and will advise you as to the fee for your application. Do not submit your application directly to the Royal College.
 - Applications submitted **2-4 weeks** before the program start date will be levied a late fee
 - Applications submitted **less than 2 weeks** before the program start date will not be reviewed
 - The application fee will be assessed based on the length/number of sessions within the program. Additional fees may apply for complex application reviews.
- A summary of the review will be emailed to the physician organization including the outcome of the assessment of the CPD activity, the number of accredited hours, and the CPD activity accreditation statement that must appear on all accredited CPD activity program materials and certificates of participation.

Before you submit your application – have you completed and attached the following?

- Has a needs assessment been completed? Attach a summary of the completed needs assessment
- Have you attached the overall and session-specific learning objectives?
- Does the preliminary and final program or brochure include:
 - The activity schedule, topics, and start and end times of individual sessions?
 - Clearly delineated time for interactive learning, such as Q&A sessions, discussion time, workshops, etc.?
 - The learning objectives for the overall activity and individual sessions (if applicable)?
- Have you attached any other materials that will be used to promote or advertise the activity (for example, invitations, email announcements etc.?) (If applicable)
- Have you attached the sponsorship and/or exhibitor prospectus developed to solicit sponsors/exhibitors for the activity (if applicable)?
- If sponsorship has been received for this activity, have you attached the written agreement that is signed by the CPD provider organization and the sponsor?
- Does the activity budget shows receipt and expenditure of all sources of revenue for this activity including:
 - A list of funding sources, including an indication of whether sponsorship was received in an educational grant or in-kind support?
 - A list of expenditures?
 - The expected number of registrants?
- Have you attached the template for the certificate of attendance that will be provided to the participants? *Remember that physician organization must maintain attendance records for five years.*
- Do the evaluation and feedback forms include:
 - A question on whether the stated learning objectives were met?
 - A question for participants to identify the potential impact to their practice?
 - A question for participants to identify if the session was balanced and free from commercial or other inappropriate bias?
 - A question on which CanMEDS Roles were addressed during the activity?
- Have you attached a sample conflict of interest form and an outline of the process for the collection, management, and disclosure of conflicts of interests which includes a description of how this information is collected and disclosed to participants? *Required regardless of how the activity is funded.*
- Has the Chair of scientific planning committee attested that he/she agrees with the content provided in the application package? – see section D

The Royal College has created a CPD activity toolkit to help developers of educational activities who want to create quality programs. Each topic in the toolkit includes explanations, practical examples and other resources.
